TECHNOFAME-
A Journal of Multidisciplinary Advance Research

VOL: 10

ISSUE II

December 2021

CONTENTS:

- Existing Upcycling Practices for Discarded Denim in Haryana** 01–09
Sangita Tomer, Vivek Singh, Nisha Arya and Kuldeep Singh
- Survival and development of Pink Bollworm *P. Gossypiella* on Different *Bt* cotton Hybrids** 10–17
D.G. Ingale, V.K. Bhamare and M.S. Kuyate
- Biology of *Trichogrammatoideabactrae* Nagaraja on Eggs of Different Bollworms** 18–22
M.S. Kuyate, V.K. Bhamare and D.G. Ingale
- Performance of Diverse Wheat Varieties at different Dates of Sowing under Changing Climate** 23–30
Sant Bahadur Singh, Vishnu Shankar and Jitendra Kumar
- Effect of Nitrogen levels on Growth and Productivity of Mustard (*Brassica juncea* L.) Varieties** 31–33
Dishant Agnihotri, Shiv Shanker and S.P. Maurya
- Standardization of Organoleptically Acceptable Low Glycemic Recipes for Diabetic Patients** 34–46
Surabhi Prazapati and Narendra Prasad
- A Study on Genetic Advance and Heritability for Yield Components in Barley (*Hordeum vulgare* L.)** 47–50
R. S. Raikwar, Anil Mishra, K.C. Shukla and V.K. Singh
- Effect of Different levels of Phosphorus and *PSB* (*Phosphate Solubilizing Bacteria*) with Pea Varieties under Climate Condition of Tikamgarh District** 51–56
Vinita Devi Ahirwar, V.K. Singh and R.K. Prajapati
- Integrated Disease Management of Leaf Curl Virus in Chilli on farmers' fields of Hathras District** 57–63
S.R. Singh, R.K. Prajapati and S.K. Singh
- Studies on the Performance of Layers with Different Combinations of Unconventional Feed Ingredients** 64–68
Dibendu Nandi, R.P.S. Baghel and Sandip Kumar Khare

Distribution Pattern of Collar Rot of Chickpeain Bundelkhand of Madhya Pradesh	69–74
D. S., Tomar, M. K., Nayak, and Shraddha, Karcho	
Seasonal Incidence of Stem Fly and Sucking Insect of Soybean (<i>Glycine max</i>) and Their Correlation with Weather Parameters	75–79
H. Patidar, M.K. Nayak and D.S. Tomar	
Growth Stage Specific Crop Coefficients of Wheat for Varying Soil Moisture Regimes in Central India	80–84
B.K. Dixit, D.L. Kauraw and Umesh Singh	
Yoga as Base of Human Health and Peace of Mind: an Indepth Observation into the Arena of Yoga	85–90
Sulekha Varma	
Role Performance of Gram Panchayat Members in Rural Development	91–95
Kanta Kumar Sahu, Parvez Rajan and Deepak Jaiswal	
Evaluation of Herbicides on Growth and Yield of Wheat Crop in Upper Gangatic Plain of India	96–99
Rajesh Singh Chauhan	
Effect of Different Nitrogen Levels on Growth and Yield of Barley Crop in Upper Gangatic Plain of India	100–103
Rajesh Singh Chauhan and Bharti Chauhan	
Farmer Producer Organizations: Concept, Structure and Functioning	104–113
Nisha Tiwari and Rajshree Upadhyay	
Impact Assessment of Krishi Vigyan Kendra’s Interventions on Adoption of Drip Irrigation among the Farmers of Barwani District, Madhya Pradesh	114–119
S.K. Badodiya, Rakesh Jain, S.R.K. Singh and G.S. Kulmi	
Investigation on Quality Evaluation of Spray Dried Beetroot Powder	120–126
Bajrang Nagar, M. A. Khan and Deepali Bajpai	
Popularization of Intercropping to Increase Profitability in District Kushinagar, U.P	127–130
A. Sahu	
Nutritional Status of Tribal Children: A Cross-sectional Study among Tribal Community of Odisha	131–141
Kushagra Joshi, Gayatri Maharana, J. C. Jeeva and Anirban Mukharjee	
Revival and Contemporizing of Traditional Khana Dobby Designs into Jacquard Woven Kurta Materials	142–150
Pratikhya Badanayak and Sadhana D. Kulloli	
Training needs of Chickpea growers in Tikamgarh District of Madhya Pradesh	151–157
Jitendra Garg, Sheela Raghuwanshi, Kamini Bisht and S.P. Singh	
Performance of Paddy variety MTU-1081At Mandla district of Madhya Pradesh	158–161
H.S. Rai	

Thermal unit Requirements for Different Phenological Stages and Yield of Chickpea Varieties as Influenced by Sowing Dates 162–166
P. K. Tyagi, K. C. Shukla and V.K. Singh

Short Communication

Adoption of Information and Communication Technology Initiatives in Promoting Improved Farm Practices in Agra District 167–170
Devendra Singh

An Epidemic: Corona Virus (Covid-19), A Cavernous Impact on the Health of the Healthcare Professionals and Workers 171–176
Sulekha Varma

Constraints Faced by the Farmers in Chickpea Production Technology of Tikamgarh District of M.P 177–181
Jaynarayan Gurjar, S.P. Singh, Sheela Raghuwanshi and Kamini Bisht

Effect of Phosphorous on Growth and Yield of Chickpea (Cicer Arietinum) In Upper Gangatic Plain 182–184
Rajesh Singh Chauhan
