**CONTENTS:**

<b>Fertilizer Prescription Based on Specific Yield of Rice in Inceptisol</b> Y. V. Singh and S.K. Singh	1–6
<b>Effect of Tillage Practices and Chemical Weed Management on Weed Dynamics, Root Length and Nodulation of Chickpea under Rice- Chickpea Cropping System</b> Monu Kumar and Dinesh Sah	7–13
<b>Effect of Yield Contributing Characters of Barley (<i>Hordium Valgare</i> L.) Through Nitrogen and Zinc Scheduling</b> Uma and Krapal Rana	14–18
<b>Increased Rice Yield and Economic Benefits by Improved Crop Production Technology in Jhrigawan village, Chandauli District in an Inceptisol</b> Y. V. Singh and S.K. Singh	19–24
<b>Evaluation of Effect of Nano DAP Fertilizer on Growth, Yield Performance and on Cost of Cultivation in Potato (<i>Solanum Tuberosum</i> L.)</b> Subhash Chandra, Omkar Singh Yadav, Boby Nigam and Pramod Kumar Singh	25–33
<b>The study in Chandauli district of Uttar Pradesh aimed to achieve a Target Yield for Mustard using Soil Test Crop Response (STCR) Technology</b> Y.V. Singh Sanjay Kumar Singh and Ajeet Kumar	34–38
<b>Data-Driven Approaches to Sustainable Farming</b> Divyanshu Singh, Akshat Khandelwal and S.P. Singh	39–43
<b>Data Analysis of Extensive Use of Pesticides with Special Reference to Karanja Lad Market Maharashtra India</b> Sanjeev Kumar	44–49
<b>Study on Modified Housing Management Practices on Physiological and Psychological Responses of Buffaloes in Hot Humid Climate of Bundelkhand</b> Sandip Kumar, S. P. Singh and Dinesh Singh Tomar	50–53

**Significance of English Language Skill in the Technological Upgradation** 54–57  
Manisha Dwivedi and V.K. Singh

**Current Data Analysis and Temporal Intensity of Tiger Mortality in India-  
Role of NTCA, Tiger Conservation, State wise Mortality Analysis** 58–62  
Sanjeev Kumar

**Effect of Nitrogen and Phosphorus Fertilization on The Growth and Yield  
of Wheat (*Triticum Aestivum L.*)** 63–73  
Namrata Lodhi, Lokendra Pratap Singh, Uma and Ekta Pathak

### **Short Communication**

**Prospects and Constraints of Potato Cultivation in Agra District of Uttar  
Pradesh** 74–80  
Rajendra Singh Chauchan and Shiv Pratap Singh

**Dragon Fruit : An Exotic Nutritional Fruit** 81–86  
Aparana Sharma, V.K.Singh and Mujahida Sayyed
